

Redding Elementary School Vision Statement **Reaching Every Student**

Our vision for the Redding Elementary School community (including students, teachers, support staff, administrators, and parents) is to provide a collaborative environment where personalized learning is paramount for all stakeholders.

As we become self-directed, lifelong learners, we will:

- Self-reflect in order to learn and grow.
- persevere , problem solve, and think critically
- Take informed action
- Respect ourselves, others, and our environment
